

# Field Plant Identification: Wetland and Transitional Habitats of the Coastal Mississippi

April 13 – April 15, 2011

*Presented by:*

*Grand Bay National Estuarine Research Reserve, Mississippi Department of Marine Resources' Coastal Preserves Program, and the National Oceanic and Atmospheric Administration*

## TENATIVE AGENDA

*\* This agenda is subject to change depending on site conditions and the preference of the instructor. Please come dressed to go into field, keeping in mind that some sites may have standing water. We highly recommend bug spray and sunscreen, too!*
